Recycling and Disposal of Equipment

To provide for the proper methods of disposal for refuse and materials destined for waste disposal. The University has implemented a recycling program to comply with all applicable regulations.

Solid Waste Management is a program of the Grounds Department. The primary goal of the program is to provide environmentally sound solid waste disposal alternatives to the Cornell campus. The program promotes reduction and reuse of materials in addition to offering a comprehensive, convenient recycling program that even includes free removal and recycling of old computers.

For a list of equipment accepted for disposal, please consult the Grounds Department' Recycling web site at http://www.fm.cornell.edu/fm/recycle/fmn_recycle.cfm.
