

# General Guidance for Completing Form W-8BEN-E

As Cornell staff cannot act as anyone's tax advisor, the entity should independently make the determination as to which sections of the W-8BEN-E Form should be completed. Most of Cornell's foreign entity vendors have determined that they are Active NFFEs as they operate as a non-financial business and meet the definition noted below.

The W-8BEN-E Form has instructions that are available on the IRS website ([www.irs.gov](http://www.irs.gov)).

All eight pages of the W-8BEN-E Form do not need to be completed, (only parts of page 1, possibly page 2, the corresponding section from what the vendor selected in Part 1, question 5, and part XXIX), and page 8 (signature page). See the summary below for an example.

Overview of important acronyms on the W-8BEN-E Form (note a complete list of acronyms can be found in the FATCA regulations – IRS Treas. Reg. 1.1471 to 1.474-7).

- FFI = Foreign financial institution
- NFFE = Non-financial foreign entity
- Active NFFE = an NFFE that has less than 50% of its gross income from the preceding calendar year from passive income and less than 50% of the assets held by the NFFE are assets that produce or are held for the production of passive income.
- Passive income = generally means, dividends, interest, rents, royalties, annuities.
